WHAT IS...

LEAVE APPLICATION

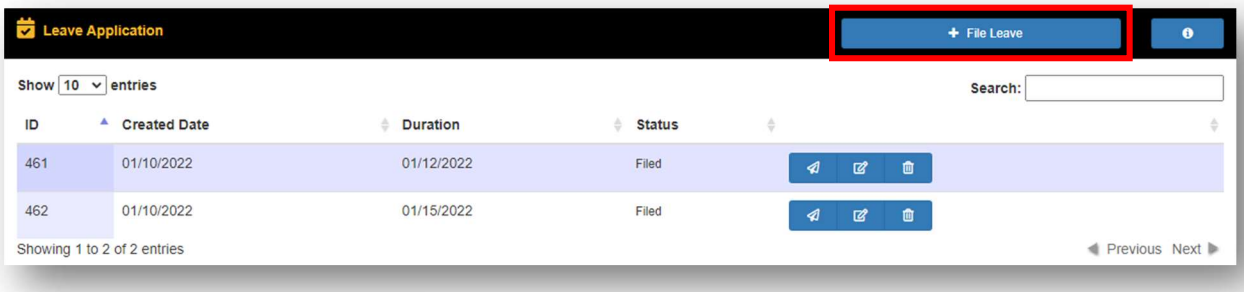

WHAT IS INSIDE THE LEAVE APPLICATION?

This is where the user can file a leave or view previous leave applications.

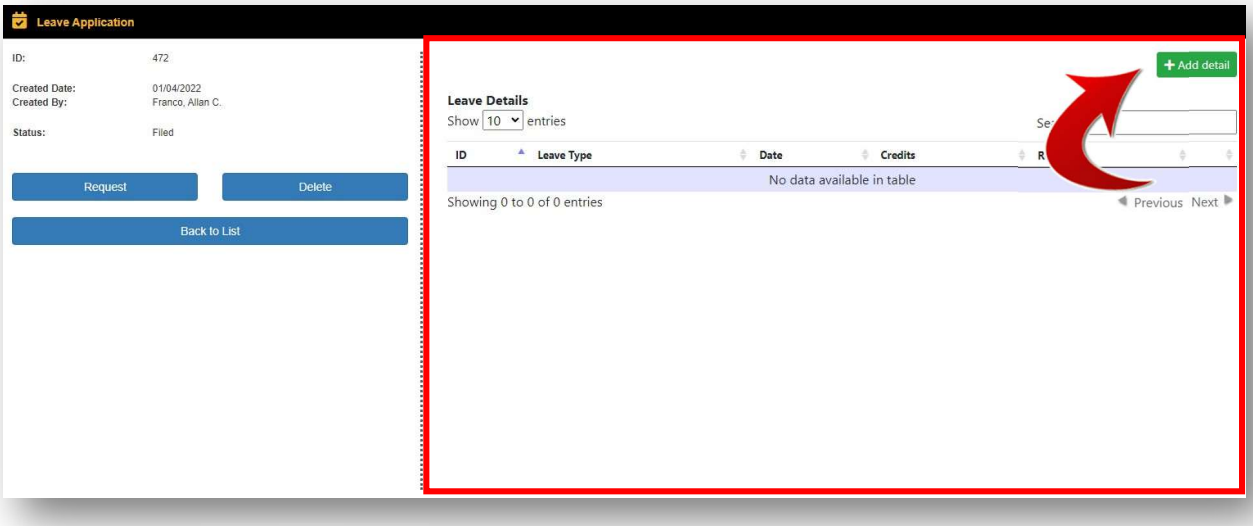

1. **Click the TMS icon ( ) at the top menu list. The sub-menus will automatically shows-up where you can find the "Leave Application" as shown below.**

2. **Click Leave Application and you will be redirected now to the "Leave Application" page as shown below.**

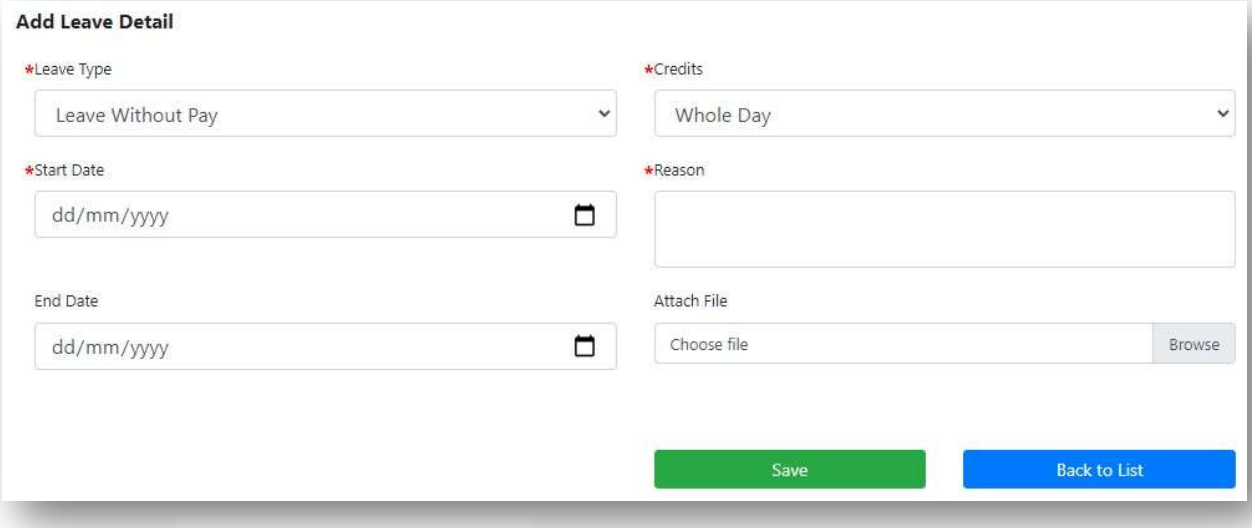

3. **Click + File Leave to file / submit new leave application as shown below.**

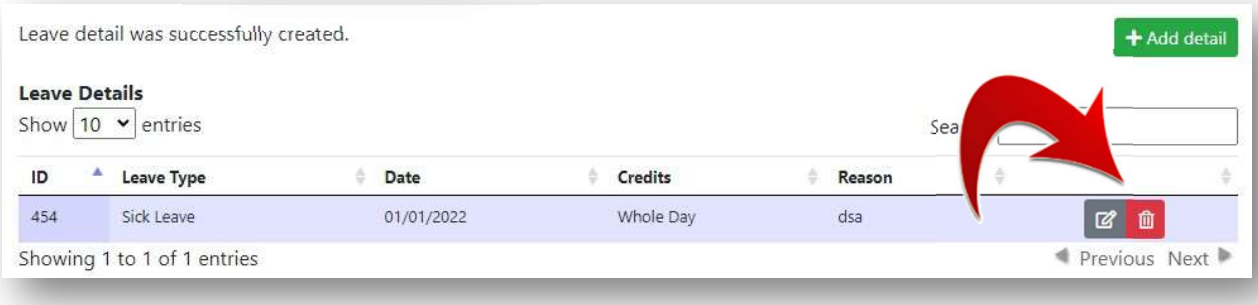

4. Then, click + Add detail to add leave details as shown below.

5. Make sure to populate all the required fields (*) as shown below.

6. Now, click Save to save the leave details.

- To edit the selected leave details.
- To remove or delete the selected leave details

7. Click Delete to cancel or delete the entire leave application details.

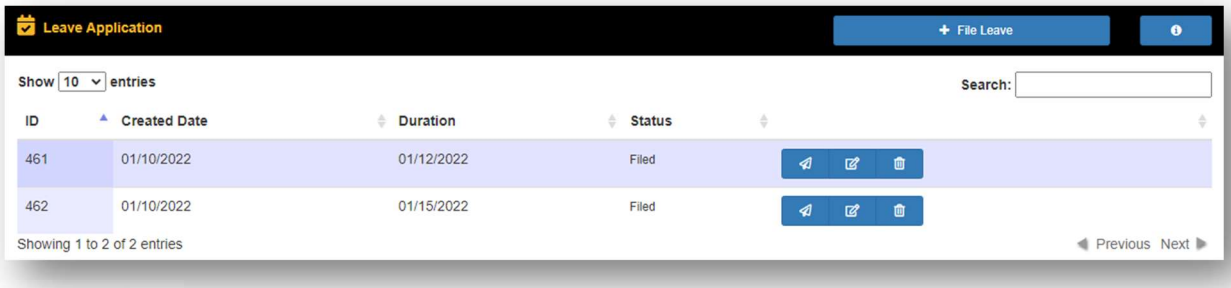

8. ; Or click Back to List to retain the leave as filed and needs to be posted to take effect.

9. ; Or click Request to officially post the leave application subject for approval. The system will send an email notification to the employee itself and the approver regarding the leave application.

NOTE:

- Vacation Leave (VL) must be filed 14 days before that start of the leave.
- Attachment is required if the Sick Leave (SL) is two (2) or more days.
- Multiple filing of leaves must be of the same leave type only.

10. On the leave application main view, you can also do the following:

View - To view posted / cancelled leave details.

- To quickly view and edit a filed leave detail.

- To quickly remove / delete filed leave detail.

- To view user manual for leave application.
