4.3 DTI and DOLE Interim Guidelines on Workplace Prevention and Control of COVID-19

4.4 Republic Act No. 11469 – Bayanihan to Heal as One Act

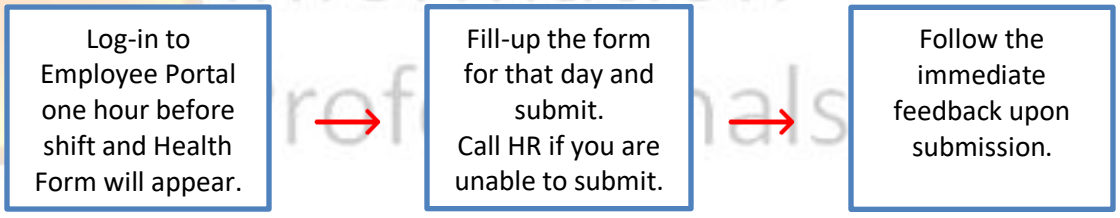

Information Professionals, Inc.

V. GUIDELINES

5.1 WORKPLACE SAFETY AND HEALTH

- All employees should accomplish individual risk assessment forms including COVID Risk Assessment for all jobs for the effective management of health risk and activities in the workplace as required by DOLE.
- For Client sites, POCs will be given an appointment letter which specifies their duties and responsibilities *(refer to the Addendum to the OSH Manual)* including a checklist to ensure that sites have complete control measures. The appointment letter should be signed by them.
- All employees are required to log-in the portal. Initially, employees will be asked to watch a one time, 12-minute video on Hygiene and Sanitation in the Workplace and accomplish the DAILY HEALTH DECLARATION FORM *(refer to Annex A)* an hour before their shift. Employee will not be allowed to report onsite without completing the form even if there may be a separate health screening at the workplace. Under the "Bayanihan to Heal as One Act," dishonesty in the health declaration form is punishable by law. Employee will still be required to cooperate with Client's daily screening procedures.

  Online Daily Health Declaration Process Flow:

- Before entering the workplace, employee will have to undergo temperature check. Employee with a temperature of > 37.4°C even after a 5-minute rest will be isolated in an area identified by the company and will not be allowed to enter the workplace.

- Employee must use a face mask before entering the workplace which must be worn at all times and removed only when eating or drinking.
- At the workplace, employee should always practice physical distancing of at least 1-meter between each other.
- Employee must observe proper respiratory etiquette such as coughing or sneezing into tissue or into shirt sleeve and immediately disinfect hands. Tissues must be disposed properly.
- Employee must follow disinfection protocols such as frequent and proper handwashing with soap and water or use alcohol-based sanitizer.
- Employees should not eat together. Instead, eat in their individual work areas and dispose wastes in designated trash bins.
- To maintain physical distancing, number of employees inside meeting rooms should be limited.
- Employees should not engage in prolonged face-to-face interactions.
- Videoconferencing is highly encouraged instead of meetings with physical presence.
- Visitors and walk-ins will not be allowed in the workplace.
- All meetings, orientations, pre-employment, interviews, clearance and releasing of final pay will be done online.
- Roving officers will be responsible to ensure physical distancing and observance of health protocols.

5.2 MINIMIZE CONTACT RATE / REDUCING TRANSMISSION OF COVID-19

- Managers will identify team members who need to be physically present at the workplace and submit the list for approval to management.
- A flexible 8-hour work schedule will be allowed depending on operational needs with the consent and approval of Management.
- Marketing will submit list of employees required to report on-site for external employees.

- Grace period will be temporarily adjusted to 20 minutes for external employees.
- Identified employees who are at high risk (i.e. employees beyond 60 years of age, or of any age with co-morbidities, or pre-existing illnesses such as hypertension, diabetes, cancer or immunocompromised health status or with high risk pregnancy) will be allowed to continue to work from home until informed to report to workplace.

5.3 ALTERNATIVE WORK ARRANGEMENTS

Alternative work arrangements such as scheduled work shifts, reduced work hours and days and Work from Home (WFH) will be applied as needed.

5.3.1 Scheduled Work Shifts

5.3.2 Reduced Work Hours and Workdays

5.3.3 Work from Home (WFH)

Duties and Responsibilities

- Employee should perform work from home only from the authorized location specified in the agreement.
- Daily health questionnaire submission will be the basis for the time-in of the employee.
- Employee is required to work 8-hours per day regardless of break periods.
- Employee should remain visible and accessible via mobile phone, email and online chat (text/video) during regular work schedule.
- Employee should be in constant communication with the supervisor to discuss status or open issues and document all work transactions and communications while working from home.

- Employee should be available for teleconference or videoconference scheduled as needed.
- Employee should complete tasks and meet daily target within regular working hours and is not allowed to render overtime unless authorized by the supervisor prior to extending hours.
- Employee should abide by info security measures.
- Communication/internet allowance will be provided on a case to case basis or as needed to meet tasks.

Safety, Equipment, and Information Security

- Employee agrees to maintain safe, secure, and ergonomic work environment at home and to report any safety and security concerns or incidents that may hinder the performance of work to the supervisor at the earliest reasonable opportunity. Employee holds the Company harmless for personal injury and injury to others, including damage to personal property while performing work from home.
- Employee is responsible for providing a noise-free space, computer with webcam, phone device with noise-canceling feature and internet connection at the work from home location. Internet access or bandwidth must be able to provide, at the minimum, uninterrupted video conferencing and email capable of sending and receiving multiple file attachments. Employee shall not be reimbursed by the employer for these or related expenses.
- Data processing and thumb drives (computers, tablets, thumb drives etc.) must be equipped with updated cyber-security screening program (anti-virus, anti-malware, etc.) and all files must be scanned prior to attaching to an

- outgoing message or prior to uploading on electronic file storage.
- Employee may only access, store, transmit, and modify work-related electronic files using hardware devices (laptop, mobile phone, tablet, thumb drive, etc.) and software (email, cloud drive, chat, etc.) authorized for this arrangement.
- Employee agrees to protect any Company-owned equipment, records, materials, documents, electronic files, programs, systems, and paid-access/subscription from unauthorized or accidental access, use, modification, destruction, or disclosure.
- Employee agrees to report to the supervisor any incident of loss, damage, or unauthorized access of company files and/or data at the earliest reasonable opportunity. Company data includes information of customers, employees, suppliers, and job applicants.
- Employee understands that all Company-owned equipment, records, materials, documents, electronic files, programs, systems, and paid-access/subscription shall remain the property of the Company.

Monitoring and Remote Monitoring

- Managers will continue to monitor targets and deliverables of their respective teams.
- GM and HR Manager will do random spot voice and/or video calls to check on the productivity and health of employee.
- Accomplishment reports and time sheets must be approved by the GM before submission to payroll.

Employee can request for a flexible work arrangement. This should be discussed with Manager and will be subject to evaluation taking into consideration the Company's operational needs to be approved by Management.

VI. PROVISIONS

- Employee will be provided with 4 pieces of 2-ply washable cloth face masks per quarter. Contact HRC should any mask get damaged.
- Employee will also be provided with one 500ml bottle of 70% alcohol per month which can be transferred to handy spray bottles and should be for personal use in the workplace.
- Masks and alcohol are considered Company property. Neglect and/or misuse are subject to disciplinary actions in accordance with the Employee Handbook.
- POCs assigned on-site shall be made accountable in the distribution and control of supplies.
- Employees will be given priority assistance through verification hotlines and COEs in case needed.

VII. COMMUNICATION

- Official announcements and advisories will be released by HRC.
- HRC and COVID-19 hotlines are available in the employee portal.
- Official communication channels *(refer to Annex C)*
    - Globe Numbers: 09054194301 / 09276071522 / 09453908999

VIII. LEAVES

- Absence from work due to quarantine and/or treatment for COVID-19 will be considered an excused absence following standard filing protocols of the Company.
- Advancement of 2020 leave credits will be allowed. Sick Leaves to be used first followed by Vacation Leaves for internal employees and Service Incentive Leaves or Vacation Leaves for some external employees. This includes employees living with family member/s who are either considered as suspect or probable cases.
- Employees who have used all their leave credits but need to undergo treatment and/or recovery due to COVID-19 will be given 7 days paid leaves.
- Employee who files a leave due to COVID-19 will be required to submit the following documents upon return to work:
    - Application for leave of absence
    - Certificate issued by attending physician that he/she submitted himself/herself for monitoring/investigation as applicable
    - Completion of Quarantine Certificate issued by the local quarantine/health official
    - Medical Certificate that he/she is cleared to report back to work
    - Medical records issued by attending physician showing that he/she was treated for COVID-19 (for those who have undergone treatment for COVID-19)

IX. PROGRAMS

9.1 Health and COVID-19 safety campaigns

9.2 Mental health in the workplace policy and programs

- Emotional support hotlines
- Tie-up with psychological clinics who can conduct professional telepsychology consultations and psychiatric evaluation/treatments
- Stress and anxiety awareness campaigns and online webinars

X. ACCOUNTABILITY

Each Manager is responsible to ensure that employees in his/her department understand, conform, and adhere to this policy.

XI. CONSEQUENCES OF POLICY VIOLATIONS

Compliance is mandatory and non-adherence to the policy will be subject to disciplinary actions in accordance with the Employee Handbook.

XII. EFFECTIVITY

This policy will be made known to every employee and will take effect on June 1, 2020.
