Annex E

Laminated Work Desk Reminders for Employees

1. This must be printed in color and laminated.
2. Provide one BLUE copy for each employee working in client sites and require them to tape it on the top of desktop monitor, or if using a laptop, on the inside part of the workstation panel where it is visible at eye level at all times.
3. Provide one GREEN copy for each employee working at home and require them to tape it on the top of the computers screen where it is visible at eye level at all times.
