CONSENT & WAIVER FOR COVID-19 VACCINATION

On the 5th of May 2021, the Food and Drug Administration (FDA) issued authorization granting Zuellig Pharma Corporation the emergency use approval of COVID-19 mRNA Vaccine Moderna. Attached is the Fact Sheet for the vaccine for your information. By signing below, you declare that you have thoroughly read, understood and take all risks based on the information provided in the Fact Sheet. YOU MUST CAREFULLY READ THIS DOCUMENT BEFORE SIGNING IT. YOU ARE WAIVING OR RELEASING LEGAL RIGHTS. YOU ARE ADVISED TO SEEK THE ADVICE OF AN ATTORNEY IF YOU DO NOT FULLY UNDERSTAND THIS DOCUMENT.

Consent: I hereby give my consent to **Information Professionals, Inc.** (hereinafter referred to as "Company/Employer") to register my name and other relevant personal information in their vaccination program as their employee/employee's dependents so that I may voluntarily receive the Covid-19 mRNA vaccine **MODERNA** of **Zuellig Pharma Corporation** through **ICTSI Foundation, Inc.**, designated as an Emergency Response Stakeholder by virtue of NTF-IATF Memorandum Circular 03-2021 and the company's assigned HealthCare Service Provider or vaccine administrator. I understand that the **IT and Business Process Association of the Philippines (IBPAP)** is the consolidator tasked to coordinate with Zuellig Pharma via its Platform, vaccine deliveries and employee pre-registration to **ICTSI** as vaccine administrator. Furthermore, I understand Zuellig Pharma Corporation, IBPAP and ICTSI are the private third parties the company shares my relevant personal information with. I have read the Privacy Notice for the Vaccination Program and the company's Covid-19 Voluntary Vaccination Policy (Reference Code: HRD-OSH-12).

I understand that the vaccination is voluntary and that I am not required to receive this vaccine, to receive this vaccine through the Company's/Employer's Vaccination Program, or through the Vaccination Service Provider that was selected by the Company/Employer for their Vaccination Program as a condition for continued employment. I understand that ICTSI Foundation, Inc. has listed **Solaire-IFI Nayong Pilipino Vaccination Center, Paranaque City & Solaire-IFI Vaccination Center, Solaire Resort** as their inoculation sites for the company's vaccine administration. The company shall appoint the inoculation site in which the vaccinee will be vaccinated based on availability.

I give consent to the Company/Employer to use and disclose any and all information permitted by law, as relevant to the COVID-19 vaccination including information I provided on/about/during, but not limited to, health surveys, scheduling of vaccinations, whether I appear for my appointments, and any information I disclose or report to the Company/Employer relating to my experience with the vaccines within the company's HR and OSH staff, medical professionals, and government authorities that monitor, screen, care for, and/or administer vaccines to individuals.

If Pregnant or Breastfeeding: Although I acknowledge that there is no data on the safety of COVID-19 vaccines in pregnant or breastfeeding women, I am choosing to be vaccinated either on my own or after consultation with my obstetric provider. I have read the advisory of the Department of Health that pregnancy is not a contraindication to getting the COVID-19 vaccine and that pregnant women can get the vaccine with precaution, given that there is limited data on pregnant women from clinical studies and that it is advised to get the vaccine after the 1st trimester of pregnancy. Reference: https://doh.gov.ph/node/28465

Obligations: I understand that I may be asked to remain in the vaccination administration area for up to 30 minutes after the vaccine is administered to be monitored for potential adverse reactions and agree to report any complaints that I may have to the vaccination provider while there. After leaving the facility, I understand that if I experience any side effects, I should either call the vaccine provider or go to the nearest emergency medical facility. I further understand that for the vaccine to be effective, I must receive two doses. I will be provided an appointment date to receive the second dose and understand that it is solely my responsibility to return for this second dose at the scheduled time. I acknowledge that my failure to appear for that scheduled appointment will compromise the effectiveness of the vaccination.

Assumption of Risk: I acknowledge that it is not possible to predict all possible side effects or complications associated with receiving this vaccine. I understand that the Company/Employer is not making any representations or warranties regarding the vaccine and its general safety. I have been provided with and have read the Emergency Use Authorization ("EUA") Fact Sheet or Vaccine Information Statement corresponding to the vaccine that I have elected/volunteered to receive.

I have read and understand the benefits and risks of vaccination based on the fact sheet, and I voluntarily assume full responsibility for any reactions that may result from receiving the vaccine. I understand that I will still be asked to undergo a health interview with a medical professional and that I will still be asked to sign additional relevant forms on the day of the vaccination. I understand that prior to receiving the vaccine, I still have an opportunity to ask questions to the medical professional who will be screening me on the day of vaccination about the vaccine, including but not limited to the risks and benefits of the vaccine.

I assume all risks of requesting the vaccination, including the potential contracting of COVID-19 while attending or being present at the COVID-19 vaccination facility where I have an appointment. The receipt and obtainment of the vaccination is of such value to me that I accept the risk of being exposed to, contracting, and/or spreading COVID-19, and the potential risk of having side effects due to the vaccine. I further understand that the Moderna COVID-19 vaccine is a 2-shot vaccination program and understand and agree that the responsibility to obtain a second shot remains my personal obligation and that the company will only shoulder doses while I am an active employee.

Waiver of Liability: I do hereby waive, release and agree to indemnify and hold harmless the Company/Employer, its officers, agents, employees, the organizers, sponsors, program partners and participants on behalf of myself, my heirs, assigns, representatives, or any other individual acting on my or my estate's behalf, for any claim, demand, liability, costs, suits, charges or compensation for loss or injury of any kind arising out of a loss or an injury, including losses or injuries arising in whole or in part from the COVID-19 Vaccination Program of the Company/Employer, its agents or employees and partners or activity supervisors, and which includes, but is not limited to, my potential exposure, infection, to COVID-19, or suffering side effects or reactions to the Moderna COVID-19 vaccine.

I understand that this waiver means I give up my right to bring any claims including for personal injuries, death, disease or property losses, or any other loss, including but not limited to claims of negligence and give up any claim I may have to seek damages, whether known or unknown, foreseen or unforeseen.

This Waiver, Release and Indemnification is in consideration of **Information Professionals, Inc.** as a distribution point for obtaining the Moderna COVID-19 vaccine for its employee's/employee's dependents who voluntarily registered for the vaccination program. I, freely and voluntarily assume all risk of loss or injury arising, in whole or in part, from my participation in the activity whether due to my negligence, or the negligence or intentional acts of others in connection with exposure, infection, or side effects from the vaccine.

I acknowledge that, absent this Release and indemnification, the Company/Employer would not have offered me access to the Moderna COVID-19 vaccine because of unacceptable exposure to civil liability claims, or the expense of providing a program that is risk-free.

By signing this waiver, I, on behalf of myself, my heirs and personal representatives further agree to defend and indemnify the Company/Employer, its employees, Board Members, agents and representatives from all claims for damages which may result, in whole or in part, from all acts or omissions, including (active or passive) negligence by myself or anyone acting on my behalf, or by an employee of the Company/Employer.

I also certify that I am:

(a) the volunteer recipient and that I am least 18 years of age; OR
(b) the legal guardian or authorized representative to give consent for vaccination and sign this waiver for the registered recipient named below and confirm that the recipient is at least 18 years of age.

I HAVE CAREFULLY READ AND FULLY UNDERSTAND PAGES 1 to 3 "Consent and Waiver", page 3 "Privacy Notice", and pages 4 to 7 "Fact Sheet for Moderna". AND FREELY AND KNOWINGLY ASSUME THE RISK AND WAIVE MY RIGHTS CONCERNING LIABILITY AS DESCRIBED ABOVE.

FACT SHEET FOR RECIPIENTS AND CAREGIVERS
EMERGENCY USE AUTHORIZATION (EUA) OF THE MODERNA COVID-19 VACCINE TO PREVENT CORONAVIRUS DISEASE 2019 (COVID-19) IN INDIVIDUALS 18 YEARS OF AGE AND OLDER

You are being offered the Moderna COVID-19 Vaccine to prevent Coronavirus Disease 2019 (COVID-19) caused by SARS-CoV-2. This Fact Sheet contains information to help you understand the risks and benefits of the Moderna COVID-19 Vaccine, which you may receive because there is currently a pandemic of COVID-19.

The Moderna COVID-19 Vaccine is a vaccine and may prevent you from getting COVID-19. There is no U.S. Food and Drug Administration (FDA) approved vaccine to prevent COVID-19.

Read this Fact Sheet for information about the Moderna COVID-19 Vaccine. Talk to the vaccination provider if you have questions. It is your choice to receive the Moderna COVID-19 Vaccine.

The Moderna COVID-19 Vaccine is administered as a 2-dose series, 1 month apart, into the muscle.

The Moderna COVID-19 Vaccine may not protect everyone.

This Fact Sheet may have been updated. For the most recent Fact Sheet, please visit www.modernatx.com/covid19vaccine-eua.

WHAT YOU NEED TO KNOW BEFORE YOU GET THIS VACCINE

WHAT IS COVID-19?
COVID-19 is caused by a coronavirus called SARS-CoV-2. This type of coronavirus has not been seen before. You can get COVID-19 through contact with another person who has the virus. It is predominantly a respiratory illness that can affect other organs. People with COVID-19 have had a wide range of symptoms reported, ranging from mild symptoms to severe illness. Symptoms may appear 2 to 14 days after exposure to the virus. Symptoms may include: fever or chills; cough; shortness of breath; fatigue; muscle or body aches; headache; new loss of taste or smell; sore throat; congestion or runny nose; nausea or vomiting; diarrhea.

WHAT IS THE MODERNA COVID-19 VACCINE?
The Moderna COVID-19 Vaccine is an unapproved vaccine that may prevent COVID-19. There is no FDA-approved vaccine to prevent COVID-19.

The FDA has authorized the emergency use of the Moderna COVID-19 Vaccine to prevent COVID-19 in individuals 18 years of age and older under an Emergency Use Authorization (EUA).

For more information on EUA, see the "**What is an Emergency Use Authorization (EUA)?**" section at the end of this Fact Sheet.

WHAT SHOULD YOU MENTION TO YOUR VACCINATION PROVIDER BEFORE YOU GET THE MODERNA COVID-19 VACCINE?
Tell your vaccination provider about all of your medical conditions, including if you:

- have any allergies
- have a fever
- have a bleeding disorder or are on a blood thinner
- are immunocompromised or are on a medicine that affects your immune system
- are pregnant or plan to become pregnant
- are breastfeeding
- have received another COVID-19 vaccine

WHO SHOULD GET THE MODERNA COVID-19 VACCINE?
FDA has authorized the emergency use of the Moderna COVID-19 Vaccine in individuals 18 years of age and older.

WHO SHOULD NOT GET THE MODERNA COVID-19 VACCINE?
You should not get the Moderna COVID-19 Vaccine if you:

- had a severe allergic reaction after a previous dose of this vaccine
- had a severe allergic reaction to any ingredient of this vaccine

WHAT ARE THE INGREDIENTS IN THE MODERNA COVID-19 VACCINE?
The Moderna COVID-19 Vaccine contains the following ingredients: messenger ribonucleic acid (mRNA), lipids (SM-102, polyethylene glycol [PEG] 2000 dimyristoyl glycerol [DMG], cholesterol, and 1,2-distearoyl-sn-glycero-3-phosphocholine [DSPC]), tromethamine, tromethamine hydrochloride, acetic acid, sodium acetate trihydrate, and sucrose.

HOW IS THE MODERNA COVID-19 VACCINE GIVEN?
The Moderna COVID-19 Vaccine will be given to you as an injection into the muscle.

The Moderna COVID-19 Vaccine vaccination series is 2 doses given 1 month apart.

If you receive one dose of the Moderna COVID-19 Vaccine, you should receive a second dose of the same vaccine 1 month later to complete the vaccination series.

HAS THE MODERNA COVID-19 VACCINE BEEN USED BEFORE?
The Moderna COVID-19 Vaccine is an unapproved vaccine. In clinical trials, approximately 15,400 individuals 18 years of age and older have received at least 1 dose of the Moderna COVID-19 Vaccine.

WHAT ARE THE BENEFITS OF THE MODERNA COVID-19 VACCINE?
In an ongoing clinical trial, the Moderna COVID-19 Vaccine has been shown to prevent COVID-19 following 2 doses given 1 month apart. The duration of protection against COVID-19 is currently unknown.

WHAT ARE THE RISKS OF THE MODERNA COVID-19 VACCINE?
There is a remote chance that the Moderna COVID-19 Vaccine could cause a severe allergic reaction. A severe allergic reaction would usually occur within a few minutes to one hour after getting a dose of the Moderna COVID-19 Vaccine. For this reason, your vaccination provider may ask you to stay at the place where you received your vaccine for monitoring after vaccination. Signs of a severe allergic reaction can include:

- Difficulty breathing
- Swelling of your face and throat
- A fast heartbeat
- A bad rash all over your body
- Dizziness and weakness

Side effects that have been reported in a clinical trial with the Moderna COVID-19 Vaccine include:

- Injection site reactions: pain, tenderness and swelling of the lymph nodes in the same arm of the injection, swelling (hardness), and redness
- General side effects: fatigue, headache, muscle pain, joint pain, chills, nausea and vomiting, and fever

Side effects that have been reported during post-authorization use of the Moderna COVID-19 Vaccine include:

- Severe allergic reactions

These may not be all the possible side effects of the Moderna COVID-19 Vaccine. Serious and unexpected side effects may occur. The Moderna COVID-19 Vaccine is still being studied in clinical trials.

WHAT SHOULD I DO ABOUT SIDE EFFECTS?
If you experience a severe allergic reaction, call 9-1-1, or go to the nearest hospital.

Call the vaccination provider or your healthcare provider if you have any side effects that bother you or do not go away.

Report vaccine side effects to **FDA/CDC Vaccine Adverse Event Reporting System (VAERS)**. The VAERS toll-free number is 1-800-822-7967 or report online to https://vaers.hhs.gov/reportevent.html. Please include "Moderna COVID-19 Vaccine EUA" in the first line of box #18 of the report form.

In addition, you can report side effects to ModernaTX, Inc. at 1-866-MODERNA (1-866-663-3762).

You may also be given an option to enroll in **v-safe. V-safe** is a new voluntary smartphone-based tool that uses text messaging and web surveys to check in with people who have been vaccinated to identify potential side effects after COVID-19 vaccination. **V-safe** asks questions that help CDC monitor the safety of COVID-19 vaccines. **V-safe** also provides second-dose reminders if

needed and live telephone follow-up by CDC if participants report a significant health impact following COVID-19 vaccination. For more information on how to sign up, visit: www.cdc.gov/vsafe.

WHAT IF I DECIDE NOT TO GET THE MODERNA COVID-19 VACCINE?
It is your choice to receive or not receive the Moderna COVID-19 Vaccine. Should you decide not to receive it, it will not change your standard medical care.

ARE OTHER CHOICES AVAILABLE FOR PREVENTING COVID-19 BESIDES MODERNA COVID-19 VACCINE?
Currently, there is no FDA-approved alternative vaccine available for prevention of COVID-19. Other vaccines to prevent COVID-19 may be available under Emergency Use Authorization.

CAN I RECEIVE THE MODERNA COVID-19 VACCINE WITH OTHER VACCINES?
There is no information on the use of the Moderna COVID-19 Vaccine with other vaccines.

WHAT IF I AM PREGNANT OR BREASTFEEDING?
If you are pregnant or breastfeeding, discuss your options with your healthcare provider.

WILL THE MODERNA COVID-19 VACCINE GIVE ME COVID-19?
No. The Moderna COVID-19 Vaccine does not contain SARS-CoV-2 and cannot give you COVID-19.

KEEP YOUR VACCINATION CARD
When you receive your first dose, you will get a vaccination card to show you when to return for your second dose of the Moderna COVID-19 Vaccine. Remember to bring your card when you return.

HOW CAN I LEARN MORE?
- Ask the vaccination provider
- Visit CDC at https://www.cdc.gov/coronavirus/2019-ncov/index.html
- Visit FDA at https://www.fda.gov/emergency-preparedness-and-response/mcm-legal-regulatory-and-policy-framework/emergency-use-authorization
- Contact your state or local public health department

WHERE WILL MY VACCINATION INFORMATION BE RECORDED?
The vaccination provider may include your vaccination information in your state/local jurisdiction's Immunization Information System (IIS) or other designated system. This will ensure that you receive the same vaccine when you return for the second dose. For more information about IISs, visit: https://www.cdc.gov/vaccines/programs/iis/about.html.

CAN I BE CHARGED AN ADMINISTRATION FEE FOR RECEIPT OF THE COVID-19 VACCINE?
No. At this time, the provider cannot charge you for a vaccine dose and you cannot be charged an out-of-pocket vaccine administration fee or any other fee if only receiving a COVID-19 vaccination. However, vaccination providers may seek appropriate reimbursement from a program or plan that covers COVID-19 vaccine administration fees for the vaccine recipient (private insurance, Medicare, Medicaid, HRSA COVID-19 Uninsured Program for non-insured recipients).

WHERE CAN I REPORT CASES OF SUSPECTED FRAUD?
Individuals becoming aware of any potential violations of the CDC COVID-19 Vaccination Program requirements are encouraged to report them to the Office of the Inspector General, U.S. Department of Health and Human Services, at 1-800-HHS-TIPS or TIPS.HHS.GOV.

WHAT IS THE COUNTERMEASURES INJURY COMPENSATION PROGRAM?
The Countermeasures Injury Compensation Program (CICP) is a federal program that may help pay for costs of medical care and other specific expenses of certain people who have been seriously injured by certain medicines or vaccines, including this vaccine. Generally, a claim must be submitted to the CICP within one (1) year from the date of receiving the vaccine. To learn more about this program, visit www.hrsa.gov/cicp/ or call 1-855-266-2427.

WHAT IS AN EMERGENCY USE AUTHORIZATION (EUA)?
The United States FDA has made the Moderna COVID-19 Vaccine available under an emergency access mechanism called an EUA. The EUA is supported by a Secretary of Health and Human Services (HHS) declaration that circumstances exist to justify the emergency use of drugs and biological products during the COVID-19 pandemic.

The Moderna COVID-19 Vaccine has not undergone the same type of review as an FDA-approved or cleared product. FDA may issue an EUA when certain criteria are met, which includes that there are no adequate, approved, and available alternatives. In addition, the FDA decision is based on the totality of the scientific evidence available showing that the product may be effective to prevent COVID-19 during the COVID-19 pandemic and that the known and potential benefits of the product outweigh the known and potential risks of the product. All of these criteria must be met to allow for the product to be used during the COVID-19 pandemic.

The EUA for the Moderna COVID-19 Vaccine is in effect for the duration of the COVID-19 EUA declaration justifying emergency use of these products, unless terminated or revoked (after which the products may no longer be used).
